SPECTRUM OF REALITY

The Bread of Life:
Lying there, asleep,
Beneath the soft, blue myth that engulfs it
A spacious sheath of cool blue waters:
Waters I scarcely remember.
I have bathed in the spirit which
quietly stirs these immense waters....
Asleep.

A gentle, delicate breathing: Delicate
snore....and the sound of this snore is
as faithfully urgent as the geyser---the
drums, the tocsin,
The pervading sense of alarm!
I strain in desperation:
Ignite the bomb,
Fuse the explosion of a small, cramped
world---
Spreading out and afar, falling:
Covering the Beyond with
Chips, splinters, fragments, ashes,

Forceful colors, sensations, fibres of time's
Prism
I reach out and grasp the treasure, man-
ifested as the spectrum of reality...
Silence Lingers:

Peace of unprecedented finality..

These teachers are teachers of thought, understanding, and devotion. They display humor but ultimately show knowledge. They love students and are rewarded with the knowledge that these students are better after having passed through their classes.

Hey, you in the back, have a little more LOVE for the spoken word...

There's this big toad in Ensenada...

Oh, now, Bob, you really helped your mother with the dishes last night?

You mean EVERYONE has their pencil today?

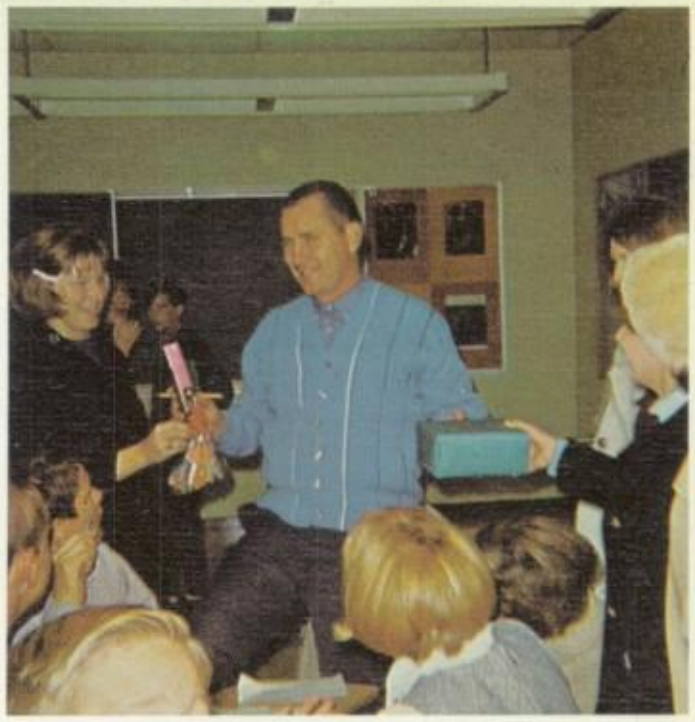
Readiness to help a student and readiness to joke are two attributes of Phillip Smith. Mr. Smith, one of our most popular teachers, has been described by close friends as a "man dedicated to teaching" and who "has a sympathetic attitude towards young people." By our estimation of him he surely must understand teenagers. This much needed quality—the ability to understand and to enjoy teenagers—Mr. Smith has to the n^{th} degree.

Born in the middle of the United States, this transplanted Kansas educator went to Westchester High School in Los Angeles after which he joined the Navy and served for three and one-half years. In 1957, he sought knowledge at El Camino College, but finally attained his Bachelor of Arts degree from California State College at Los Angeles.

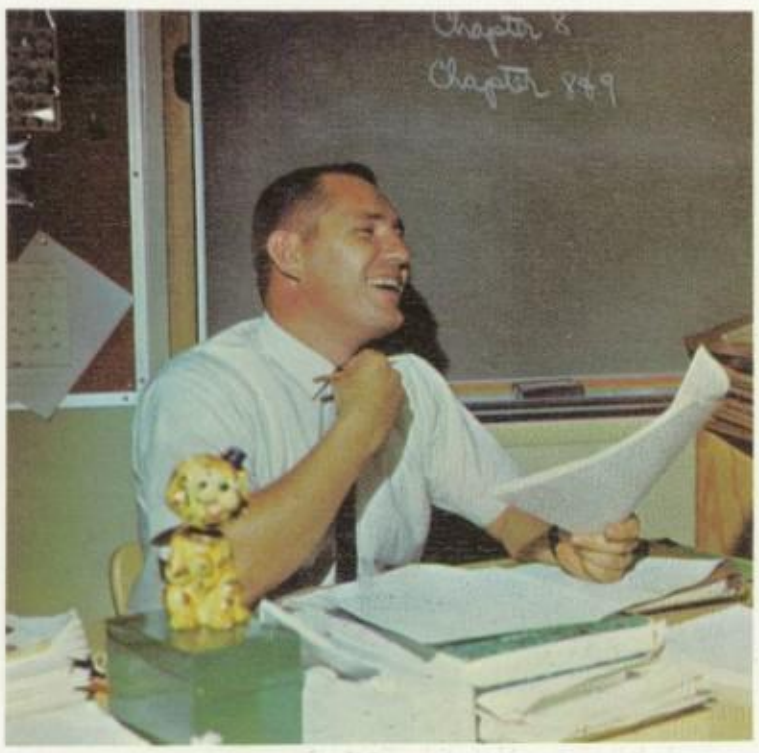
Knowing how to teach young students, Mr. Smith readily combines humor and hard work in his English classes. For him, humor is the key to understanding young adults. By catching them off guard with his wry comments, he can probe and impress the importance of an education. We rarely think of him as a teacher but most often as a witty and whimsical person who will help us if we ask him.

These are good teachers.

This year we are honoring two such teachers at West Covina High School, Mr. Smith and Mr. Deckard. To them we proudly dedicate the 1968 Lycurgean.



Christmas gifts for Lyke's honor teacher



What? You said you were normal? ha ha ha...

Listen Joe, I'm not saying you're dumb, I'm just saying there's room for improvement.

To teach with humor and dedication is to teach well. In Mr. Deckard, we have these characteristics so necessary in a good teacher. He often lightens his heavy assignments of work with a clever pun or a well-timed joke.

Besides his regular assignments in Social Science and Psychology, Coach Deckard finds enough time to coach both our junior varsity football and varsity baseball teams to successful seasons. In previous years our baseball team was one of the best around, entering CIF several times.

Acquiring his Bachelor of Arts degree from Pepperdine in 1962, Coach Deckard taught at Mount Carmel High School in Los Angeles for over two years. He came to West Covina from there aftergiving up an athletic directorship. Now this former YMCA instructor and religion class teacher has been one of our outstanding educators for several years.

To Coach Deckard we owe many thanks for his never-ending dedication to teaching and insight of the students here at West Covina High School. By his desire to have us learn do we understand the meaning of a good teacher.

Everyone got an A on his last Psych test...April Fool!

Facing the reality that their senior year is coming to an end, the class of '68 looks forward to a broader spectrum of life. Turning their heads, they look back to the place that has formed their way of life the last four years, West Covina High.

Brad Miles, the Senior class president, led his class through soc-hops, car washes, Homecoming, the Junior-Senior game, the Senior mother's tea, and presentation of the senior class gift to the school.

The senior class council gives their sincere thanks and appreciation to their advisor, Mrs. Koel, who helped them make their last year a memorable one.

AWARDS

This year witnessed a multitude of awards presented to many of our students.

Early 1967, the freshmen of that year (now sophomores) were tested according to ability. Those students whose ability rated over the good percentile were presented with a certificate.

California has a huge scholarship program. To earn the status of semi-finalist for a scholarship a score of over 1200 on the Scholastic Achievement Test was a requirement. This year over 25 seniors were semi-finalists.

The U.S. Government created a program called the National Science Foundation. One of its functions was to enable highly talented students to take science courses at colleges. Such courses were taken last summer by three seniors, Gary Smerek, who went to Louisiana, Doug Finley, who went to Humbolt, and Myles Kuwahara, who studied chemistry at Michigan State University.

Each year the Optimist Club presents a good citizen award to some qualified students at our school. This year the award went to Brad Miles (gymnast, debator, and Senior Class President).

Annually the American Legion has a speech contest among the local high schools. This year Al Snider (varsity debator, AFS Chairman, and Secretary of Assemblies) entered the contest and walked away with $45 and third place in the regional contest.

Rarely does one demonstrate virtually unlimited achievement in a particular field. However, such an achievement was demonstrated by Ross Pierce when he scored a perfect and nearly impossible 800 on the CEEB Chemistry Test.

The National Merit Scholarship Qualifying Test weeds out the most intelligent students in order to make available to them scholarships. The finalists in this test were determined to be in the top one-half percentile of all students their age. The finalists this year totaled a record number with these six: Myles Kuwahara, Doug Finley, Bruce Duncan, Cheryl Hughes, Loren Gamble, and Jeff Bossin.

The Hearst Foundation is designed to expose the nation's most highly talented students to politics. Only two from each state are elected to this high award (worth a $1000 scholarship). This year West Covina was honored by having ASB President Bob DeGroff selected for this outstanding honor.

The DAR annually presents an award to a girl on our campus. Carol Leonard (Fidelitas president) was the recipient.

Yearly, a girl from each class is designated Spartan Belle. This years Spartan Belles were Freshman Cindy Stangeland, Sophomore Kathy Gates, Junior Nancy Brown, and Senior Lori Gunn.

At one of the first dances in the 67-68 school year, a couple from each class was elected to Mr. and Miss Hello. These students were: Kevin Franz and Susie Hackleman, Damon Petta and Donna Manning, Carol Leonard and Larry Sedillo, and Bob Stiles and Teri Hunnell.

Lately, several of our students have traveled to foreign lands. Last summer Bruce Foulkes, Sharon O'Connell, Diane Bellwood and Carol Ross studied in Spain.

While mental achievement is highly regarded, physical conditioning exhibits both mental and bodily control. Mike Brooks scored a perfect 500 on the Marine Physical Fitness Test, the first ever to be recorded at West Covina.

Artists at our school have often won awards; this year is no exception. Award winners this year were Scott Zaharek and Madeline Matranga.

It is a sad but inevitable fact that all award winners and newsmakers for students from our school could not be given recognition.

A MESSAGE FROM CLAIRE

Well, it is hard to say everything I would like to in a few words. I look back now through my year at West Covina--All the way it is the best school around! I can see only wonderful experiences. My life was so full of activities that it seems like it lasted a month. Indeed it went away so fast.

I remember the first day of school, I was so scared and uncomfortable; I didn't know anybody, I talked terrible, I didn't understand many people. And now I feel just as I had been always living here. Only my accent reminds me that I'm different. I wish I could express how grateful I am to all of you. I have come to know you, I have wonderful friends who will always be in my souvenirs. It was so neat to become a part of a school which is so great in every sport (I did not know football before, but I sure won't forget it.) All the school activities, like club, student body, all girl revue etc... in which I have been able to participate were new for me. I discovered alot I learned, and enjoyed myself so much. It was so nice being a princess at the Valentines Ball. Receiving a "groov" birthday present from the psychology club. (Although I sorry I was sick that week.) Really I have so many souvenirs that I can't talk about everything. But you know that I thank you very very very much for everything, and I hope I'll be able to welcome many of you in France and to give you as good an impression of it as the one I take back home from West Covina.

A bientot!

Soft tunes and gay voices filled the night,
Our spirits radiated high delight
For the Spartans achieved a victory,
A fight won surely but painfully.
A crown glittered in the lovely dark hair
Of a girl named Jackie, slender and fair.
Couples in stylish array drifted by,
Too soon the hour of departing drew nigh,
But the memories will always remain
To be experienced again and again.

Among these fourteen outstanding Seniors are those who excelled to such a high degree of accomplishment and achievement that they are accorded a special place in the Lycurgean.

These Spartans have developed their talents in their particular field to a degree surpassing a vast majority of mature adults dozens of years their elder.

In the spring, these fourteen deserving students' names were announced as winners of the Bank of America awards. These awards are offered annually to Seniors recommended most highly by the faculty members of various departments. The winners can be proud of this honor bestowed on them for outstanding achievement.

VARSITY COACHES

Have you ever sat down and thought of all the long hours and patience it takes to unite a bunch of guys to make a football team? You need a leader who is a man among men to direct and push these fellows onward. Without an example to follow, without someone to keep them in line and ride herd on them, I'm sure some of the would have realized less than their full potential. There was respect and admiration in their voices when they spoke of their coaches. The coach was the backbone, the spirit, the drive but most of all he was their main source of courage—the one who had faith in them when the chips were down. Behind the scene the coach was a man who you could trust to be a friend when you were in some jam. Where the coaches were, there was bound to be some action.

Now, compare our coaches with those of the other schools. It really was not fair to the other schools for their coaches could not hold a candle to our fine staff of trainers. Tim Brancheau, Ralph Craig, Larry Schrock and Mal Eaton were the most wanted men in the valley. They were the Hot Line's that lived and ruled at West Covina High School. They had nothing to lose and everything to win out on the field.

I'm sure the guys will not forget the many meetings in the locker room and Mal Eaton's office where the films were sometimes shown. The game went by so fast that it was neccessary to stop for a moment and take a look back at the films of the action. In this way many an open hole in the offensive line was sealed up and many a snag in the complicated plays of the defense was made smooth.

Inclosing the school would like to thank the coaches and football players for "a fine job well done."

The mighty Spartans held a slim lead of 6-0 to the third quarter. Greg Miller threw a 15-yard pass to Steve Roy but the PAT was not successful. In the last quarter with eight minutes to go, the Colts put forth a second effort and made two touchdowns, defeating the Spartans with a 14-16 victory.

GANESHA 0 WEST COVINA 7

The big question that all the loyal Spartans were asking was, "Would the spirited team give in to their bad start?" Since difficulties are things that show what men are, the answer is quite obvious. No, they did not give in. The savage Spartans went out and defeated the Giants with a 7-0 score. Greg Miller drove through the middle for the only touchdown in the game. Mike Reinhard and Jim Angier intercepted the ball on two different occasions which added to the moral of the team and the fans.

SAN GABRIEL 7 WEST COVINA 31

With a victory under their belts the Spartans went out and faced the Matadors, showing how technique is important in winning a contact game. Football is known as a rough sport and the smashing players know all the tricks of the trade. Dan Farley lead the team for the first two touchdowns with both PATs failing. Greg Miller had a beautiful 62-yard run due to outstanding blocks of the offense. Phil Lanzarotto scored the two remaining touchdowns to make the score 31-7. The credit goes to Dave Ostevee for the only Spartan PAT in this game. The defensive players were on their toes that night, especially when Bob Mount threw the Matador quarterback for a loss of 20-yards.

ARROYO 7 WEST COVINA 16

The Spartan football team was out for a first in history, the winning of two different league titles—they were determined to get it. With a surge of victory still in their hearts, the team resolutely went out to meet the Knights. Phil Lanzarotto took a hand-off from Greg Miller and drove the ball into paydirt for a 7-0 lead. Bob Fast kicked the PAT. Jim Angier ran a tremendous 33-yard run for the second touchdown in the game; Bob Fast again booted the conversion. The Knights did not give up under the extreme pressure of the Spartan men and sent Bob Helvin ona 40-yard run with the pigskin. Chester Wells was not to be deprived of a piece of the action. He tackled the Knights' carrier to make a safety payoff for two points.

The Conquerors had little to cheer about after their first and only touchdown. Phil Lanzarotto had a pair of 2-yard runs and a 23-yard pass from quarterback Jim Angier to end Don Stillman. All three PATs were successfully made by Bob Fast. Mike Forkert plunged into paydirt: twice on a defense via a pair of interceptions. Jim Angier passed to Dan Lee for seven yards and another six points. Bob Fast picked up the two PATs to make the final score a huge 41-6

GLENDORA 0 WEST COVINA 27

The unyielding WCHS faced the Tartans and shut them out. The Tartans were unable to make a single point against WCHS because of the rugged defense. Dan Farley was the big man that night: he made two of the three touchdowns. Jim Angier pushed for the paydirt and got a handfull. Bob Fast made the sensational PATs after all three touchdowns to make the final score 27-0.

EDGEWOOD 13 WEST COVINA 21

History is right when it records how Sparta rules over Troy! Jim Angier returned a punt for sixty-yards and Bob Fast made the conversion putting the undefeated Spartans in the first quarter with a 7-0 lead. Danny O'Dell intercepted a pass and made it count for six with Bob Fast kicking the PAT. At the half the scoreboard read 14-0. In the third quarter Troy made one TD and PAT, but the invincible Spartans put forth more steam and Greg Miller hit Don Stillman for nineteen yards with Bob Fast making the conversion. The Spartan margin was now 21-7. This game was not to be an easy one, for the Trojans came through for one more touchdown without the extra point. The final score of this always exciting game reflected a Spartan victory 21-13.

Don Stillman received an eight-yard pass from Greg Miller to start off the first quarter with a touchdown. Stillman also caught another pass in the third quarter and ran it for six points with both extra points being kicked by Bob Fast. Darrell Stroud scored a touchdown in the initial quarter and one more in the second quarter.

Phil Lanzarotto plunged for one yard in the second quarter for the sixth touchdown of the game. Mike Forkert scored a TD by an eight-yard punt return after deflecting the punt. Greg Miller in the third quarter scored a TD. Bob Fast kicked six PATs to make the final score 48-0.

ROSEMEAD 12 WEST COVINA 28

The fearless West Covina Spartans made history! We were the first team on record to take two different league titles, Montview League and Sierra League.
The Rosemead Panthers were rated second in the league with six wins, no losses, and no ties. While the Panthers tallied 137 points, they managed to keep their opponents to a low 47. In the meantime our dauntless Spartans had had six wins, no losses, and no ties. Spartans were rated top in scoring with 184 points on the board. Points against Sparta were kept at only thirty-three.

The Panthers made the first touchdown with a 25-yard pass but the Spartans were not to be stopped or held back. Greg Miller's one-yard run with Bob Fast kicking for the one-pointer put the intrepid Spartans ahead. The Rosemead Panthers once again took the lead. Jeff Downs of West Covina blocked their extra point to make the score at this point Rosemead 12 and West Covina 7.

Jeff Downs was really on the ball that night for he recovered a Panther fumble on Rosemead's 28-yard line. Darrell Stroud plunged over for the touchdown with Bob Fast splitting the up-rights.

Dan Farley was not to be deprived of a piece of the action; he made the one-yard dive to complete the rush. Bob Fast once again came through for the PAT. The final score was another Spartan victory 28-12.

PACIFIC 7 WEST COVINA 7

The invincible Spartans once again conquered the league and were now entering the CIF Prelims.

The Spartans were dealt a lethal blow by the overpowering Pacific Pirates. The battle raged for 48 minutes with both sides rallying a score of 7-7. As the timekeeper and referees counted the first downs, the relentless Spartans accepted the final decision with good conduct.

This is where the 1967 football season ended for West Covina. Every year West Covina is looked upon by other schools as a dangerous opponent. At the same time Sparta is admired for excellently trained and sportsman-like teams, a tradition of West Covina Spartans.

JUNIOR VARSITY FOOTBALL

The courageous Spartans on the Junior Varsity team fought many a hard game out on the battlefield. These men exhibited great sportsmanship and, most of all, the ability to take part in a sport and to do it together as a unit.

No one man on a team should be the hero. The offense and defense should get as much credit for the touchdown, as the man who actually carried the ball to paydirt. We know that this does not always happen, so we the spectators would like to congradulate each and everyone of these remarkable men on the Junior Varsity team for "a fine job, well done."

In the tough Sierra League the Bee football team compiled a 3-3-1 record, with the overall tabulation showing a 4-4-1 record.

The scores weren't the whole story however, as the team lost several games by less than one touchdown. A little luck and the team could have finished very high. All members gave what they were able to summon; "never say die" was surely their motto. At one time, they were down by twenty points against La Puente early in the game; the situation appeared hopless as the warriors had the in ertia to split the widening gap ever deeper. However, the highly dedicated bunch of men fought and scrapped valiantly, only to lose a heart breaker by only one point. On another occasion, the Bees were down by three touchdown to top-notded Rosemeed. The Panthers were contained while the Spartan Bees caught up only to drop a heart wrencher by less than one touchdown as the Bees had the ball and were ready to score as the final gun was shot.

Top players for the Bees were "best back" Dennis Kepper, "best lineman" Jerry Pertulla, and quarter back John Riddle. Gridiorn masters were half back Rich Gliniak, center Bill Robusto, tackle John Burgess, and full back Rich Bambarger.

For Coach Kunishima, this season was a success, in spite of a mediocre record. He said of his boys that the growth and desire of these players was tremendous . They never called it quits; they were highly dedicated to football and to the Bee team. For Coach Kunishima, this year was a success.

CEE FOOTBALL

The West Covina High School Spartan Cee football team terminated the 1967 season with two wins and six losses. The record does not tell the complete story.

The 1967 Cees were truly a great team in many respects. They were dedicated and worked hard throughout the entire season. Cee determination and desire to excell was evident in winning the last two out of three games. The coaches were especially impressed with team ability, co-operation, and willingness to play against all odds.

Four of the six losses were by only one touchdown. These games could very easily have gone the other way.

Approximately fifty boys saw action in each one of the games as either an offensive or defensive player or both.

Several outstanding performers were on the 1967 Cee team. Edward Lee was selected as the outstanding back-fieldman. Max Schneider was chosen as the number one lineman.

Statistically the Cees did a good job in most departments. They averaged 153 yards per game, completed 37 out of 61 passes, and averaged approximately 36 yards per punt.

VARSITY CROSS COUNTRY

After a whirlwind season of twelve meets in a little over seven weeks, cross country teams at WCHS held their awards banquet at Griswald's in Claremont. On this occasion seven varsity members received their letter: Mark Aiassa, Dave Campos, Jim Dillon, Jerry Eckelberger, Pete Feller, Tony Hernandez, and Steve Long. Junior varsity award winners were Chris Guhl, Rich Reece, Jerry Hayes, Bill Rowland, Larry Sedillo, Larry Chisnall, and Rich Hernandez. Those frosh-soph winners were Steve Tellez, Jeff Nelson, Mike Grace, Steve Dillon, Dana Woosley, Jack Heninger, Tom Spurney, Mike Mitchell, David Bletcher, Randy Brown, and Dana Bergman. Ken Roberts did an outstanding job as manager and received a certificate for his efforts.

We wish seniors Pete Feller, Steve Long, Mike Hansen, Jim Dillon, and Larry Sedillo much success in their future track and cross country endeavors. Coach Bennett extends his appreciation to these fine young men who have given of themselves to strengthen Spartan glory and tradition.

Coach Brad Bennett

FROSH - SOPH CROSS COUNTRY

The JV and frosh-soph squads were hard-pressed throughout the season. In the case of the frosh-soph their losses could have been mitigated had Dave Campos, a sophomore, run in this division. Dave ran varsity because he was needed there. Steve Tellez, Jeff Nelson, Mike Grace, Jack Heninger, Tom Spurney, and Steve Dillon ran consistently well and additionally made a superior showing in the Sierra League Finals by placing fourth as as a team.

Coach Bennett felt it was a successful season and one of building for next year. The varsity division lacked strength at the #5, #6, and #7 spots. Otherwise, the tie to Los Altos and the loss to Rosemead may have been on the credit side. Pete Feller and Mark Aiassa displayed consistency throughout the season and placed fourth and fifth respectively in the all-league meet at MSAC. For this excellent finish they were chosen to the All-Sierra League team. Jim Dillon, Dave Campos, and Jerry Eckelberger were low-point getters in several meets and deserve a great deal of the credit for the team's fine record. Coach Bennett thinks this team was the finest ever assembled in the school's eleven-year history of cross country.

This year's basketball season was, in many ways, very successful. Our team won the Edgewood Tournament, defeating three strong teams in the process; Duarte, South Hills and Chino. West Covina really stomped Chino by an 87% attempt made percentage. Next our boys whipped a strong Pasadena High School team in the Covina Tournament, before bowing to powerful Redondo High School in the second round of tournament play.

League plan came next, and although West Covina really did an outstanding job by finishing third with a 9 wins-5 loss record, our boys felt that they could easily have won the championship with a little better fortune in four of their five losses, (losing four games by 8 points). All in all exciting, hustling basketball was played and we can be very proud of our team.

At the annual basketball banquet it was announced that Pat Adams was chosen Most Valuable Player, Dennis Trzeciak elected Captain, Gary Summicht was chosen Most Inspirational, Bob Stiles received the Coach's Trophy, and Mike Collins received the Most Improved Trophy. In addition, Bob Stiles was chosen 1st Team "All Sierra League" and Pat Adams and Gary Summicht were both given All League Honorable Mention Awards.

BEE BASKETBALL

Under the directorship of Coach Mitchell and the captainship of Brad Helmuth, the Bee Basketball team had a successful season, with Jim Tice as most valuable player with a 17-point-a-game average. Showing consistency were sharp shooters Jim Bogdanowicz, Mike Keith, Bob Bloomer, and Doug Todd, all of whom marked over 6 points a game. The team often combined all possible talent and desire as it sank over 50 points in one half and ended another game with over 80 points. By virtue of an 8-6 win-loss record, the Spartan Bees captured 3rd place in Sierra League.

After slowly starting (winning only two out of seven pre-season game, then dropping the first two league games) the Cee Basketball team came back to win five straight games. Having to scrap and toil to finally defeat the championship La Puente team by a 31-26 margin demonstrated the group's ability to win.

The team slumped a little in the second round, winning only three games while losing four. The season ended with an 8-6 won-loss league record and 10-11 overall tabulation.

This was a fine dedicated bunch of boys. The team, coached by Coach Kunishima, was lead by Captain Damon Petta and M.V.P. John Verran.

This hard working bunch ended the season in third place. The team was in every game and was only beaten by close margins. This team's success can not be measured entirely by wins and losses, for the attitude and desire were tremendous.

The "D" Basketball team had one of its most successful seasons this with a 9-5 league record, capturing the third place title. Their overall seasonal record of 11 wins, 8 losses was an excellent one. The team was led admirably by their two captains, Paul Culpepper, who was given the Most Valuable Player Award (overaged 8 points and 4 rebounds per game, with a 35% field goal shooting record) and Jim Henderson (average 6 points per game) who had a fine 58% free throw average and a 54% field goal record. Other top performers included Dick Ross, 5 points per game; Tom Moon and Russ Velasquez, 4 points per game; Bob Leavitt, a 60% free throw shooter and 4 points per game and Charles Pidancet, 4 rebounds per game. Thus can be seen, the excellent preparation afforded these young boys by their winning season and in their fine coach, Mr. Koel.

VARSITY TRACK

The 1968 Spartan track team was a sophmore studded team, which never failed to give their best. In a Sierra League rich in track talent this team was able to hold its own and represent W.C.H.S. in good fashion. Pete Feller did an outstanding job setting a new school record of 4:32.1 in the mile and turning in the third best 880 in the track history of W.C.H.S. with a time of 2:02.1. Pete also anchored the mile relay team.

Richard Gliniah a sophmore, carried the load in the sprints with a best in the 100 of 10.2 and a respectable 22.7 in the 220. Sophmore Doug Todd probably the best sophmore long jumper in the valley had a best jump of 20'10" which is excellent for a sophmore.

Mark Aiassa the leading 2 miler in the league turned in sub 10:00 2 miler, ran the 880 on occasion and took a turn on a leg of the 1 mile relay.

Buck Douglass an up and coming sophmore pole vaulter added points to the total with a best of 11'6" in the pole vault.

Captain Dave Osteyee the all round performer, always ran where the team needed him most, in the 100, 220, 440, 180 Low Hurdles, 440 Relay and 1 mile relay. He was invaluable to this team of courage short of top performances

This years Varsity club entered league play with a 3 win 3 loss practice record. The win loss statistics were not a true indication of the clubs potential ability, however the attitude, desire, and genuine knowledge of the game did much to make the season a success. Individual effort was highlited and intensified by team cohesiveness.

The league opener against Arroyo witnessed a come from behind Victory, with the Spartans scoring 3 runs in the 6th and 3 in the 7th to score a 6 to 3 win. Rosemead was the next to fall with a 5-2 two hit performance by pitcher Mike Collins. The game also saw a 6th ining home run by Steve Roy. The first home league game pitted the Conquerors of Los Altos against the league leading Spartans. The game went 8 inings with the home club winning 8 to 7.

With Coach Deckard at the helm, Varsity Baseball last year entered C.I.F. playoffs with a 9-5 record. Much the same is hoped for in this new year of play. Top players, leading the road to C.I.F., include captain Dan O'Dell, leading hitter Mike Brooks, top pitcher Dick Gary and Mike Collins, right fielder Allan Sasser and player Jerry Harvey.

FROSH BASEBALL

This years freshman baseball team at West Covina High has proven to be a top notch club to date. Although there young men are young in interscholastic competition, their determination and desire has done the job against their opponents.

In preseason play, the club compiled a 4-1 record, with the entire squad participating in the games. Victories came over Claremont, Covina, Nogales, and Mark Keppel, with the lone defeat at the hands of Bishop Amat.

With the league still in its infant stage the Freshman club is at the top with a 3-1 record. Arroyo, Rosemead, and Los Altos fell prey to the spartan club, with rival Edgewood managing to give the freshman club its lone loss. With the remaining 10 games left in league play, the Freshman club has proven to date they are contenders for the league title.

As October turned November, Coach Christ Voris expectantly hoped for a good season. He was not to be dismayed. As the dust finally settled in March, the West Covina Varsity Wrestling team was king of the hill.

Wrestling is a sport for atheletes; superb conditioning is essential for the gruelling six minutes in which a varsity wrestler must combat. Lightning moves and powerful muscles are needed if the wrestler is to become champ. Guts and determination are the next most necessary traits in wrestling. Those who have them, succeed; those who don't, lose. This year's varsity wrestling team proved itself to be that group of individuals who have the conditioning, guts, and desire to be called champs.

Captain Larry Sedillo was one of the top wrestlers in the valley as he took league and finally finished 7th in C.I.F. Paul Longshore entered C.I.F., placing 6th after taking Sierra League. To finish the triad of C.I.F. grapplers was Ed Lee, who captured 1st in league and placed 8th in C.I.F. These atheletes created history for West Covina, for they were the first grapplers from our school ever conclude the season by placing in C.I.F.

One need not say that Coach Christ Voris has done a fantastic job of conditioning and coaching these boys into highly trained athelets, for it is an obvious fact. From a dismal 1-5 season of two years ago, Coach Voris took his team to the Championship of the Sierra League Wrestling circuit.

J.V. Captain
Tom Gaye and Chuck Moncrieff

The Junior Varsity team had an outstanding season this year. With an excellent 4-2-1 record in the tough Sierra League, the J.V. squad will provide next year's Varsity with seasoned athletes.

The wrestling program was eminently successful this year, as sixty-six boys participated in the junior varsity team. There were many outstanding boys on the team, such as Chuck Moncrieff, Tom Gaye, and Tom Smalley.

To be successful in this, the toughest of sports, requires top all-around conditioning. Basic fundamentals and conditiong were stressed continuously by J.V. coach Carl Garnett. As he himself said of wrestling, "There are no miracles in competitive athletes, top performance requires physical fitness, dedication, and coach-ability, along with such important factors as talent, confidence, and healthful living."

Led by the versatile performances of Dave Kinman in tumbling, free exercise, and long horse, and Brad Miles inside horse, parallels and rings, the West Covina Gymnastics team in 1968 was always in contention for the Sierra League Title. Squeaking by against La Puente, Arroyo, and Edgewood with only 5 to 10 points to spare, the Spartans kept each tilt exciting and close. Andy Baker was the top man in the rope climb and on high bar, while Tim Ritson and Mike Trujillo completed the rope team. Backing up Dave Kinman in free exercise and tumbling were Glenn Goldberg, Bob Vischer, and Scott Arbough although on long horse George Butler usually bested Kinman and Vischer. Almost an entirely new side horse team consisting of Sam Witham, Greg Goldberg, Mark Van Derlan, Steve Sexton, and Jeff Chamlee labored hard behind leader Brad Miles to build a very difficult side event. On parallel bars, seniors Brad Miles and Greg Goldberg dominated the points, assisted by Glenn Goldberg, and Sam Whitham. A welcome newcomer, junior Mark Stangeland, led the ring team which consisted of Brad Miles, John Meyer, Richard Durham, and Tim Ritson. Tumbling, parallels, and rings were perhaps the Spartans strongest events. Dave Kinman, again a leading CIF tumbling contender, worked hard to better his 6th place last year.

Though few people realize it, the best sport at West Covina H.S. is tennis. Our varsity tennis team has compiled one of the best won-lost records of all Southern California varsity tennis teams. At the finish of last season, for example, our varsity was ranked eighth in all C.I.F.

While losing only two men from last year, varsity tennis members ought to prove champions of their league, as they so demonstrated last year when they took Montview League with a 12-1-1 record.

Our tennis team has already demonstrated its explosive dominance. In March, Ross Claytor and Gary Sumnicht took first and second place respectively, in the huge Covina Tournament; and Steve Perram, and Gary Sumnicht and Bob Bennett finished first and second again, thus exhibiting their immence control to achieve victory. In addition, our varsity team took first at the Royal Oak Invitationals.

This year our team was bolstered significantly by returning lettermen Dana Ronald, Steve Lindsey, and Chuck Moncrieff. Moving up from last year's J.V. team were doubles men Tom Hughes and Hal Demke, both who had completed last year with identical 55-1 records.

In the first two league matches, the Spartan victors utterly destroyed the opponent Arroyo 32-0 while losing a mere twenty games in total. Following that victory, the team continued its inertia by a singularly decisive conquest of heretofore contender Rosemead through a score of 23-9.

All that one need say about our Varsity team is that they are among the finest and most highly trained atheletes at our school. Sternly bad by Coach Hertenstein, this team of champions has proven consistently to be among the best of sports at West Covina High School.

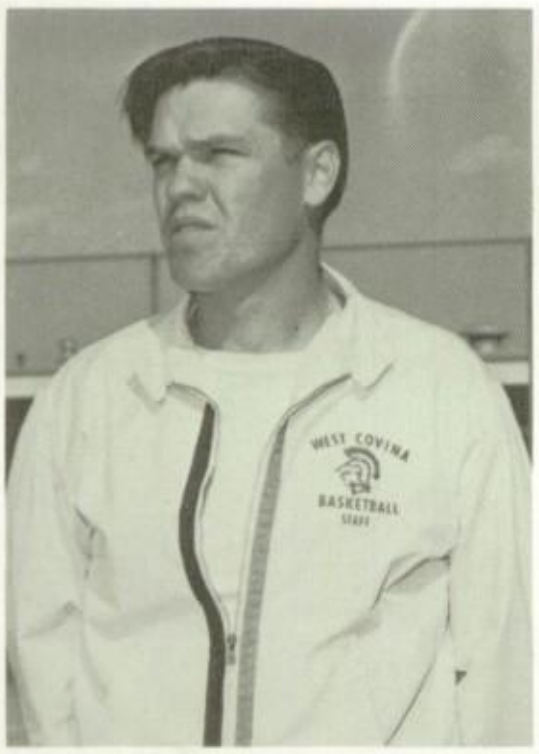
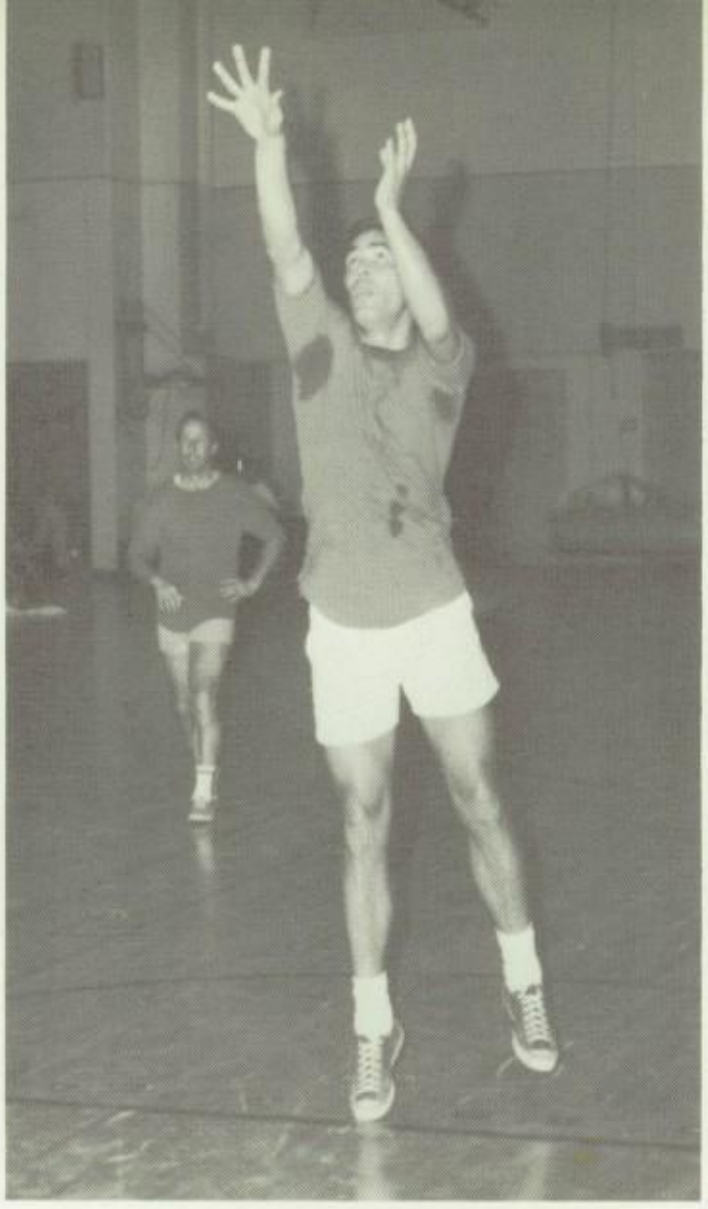
JUNIOR VARSITY TENNIS



Coach Ostercamp

The Junior Varsity tennis team finished the 66-67 year with an umblemshed 14-0 record while averaging a 32-0 score. This year's 67-68 squad did not expect as succesful a season as last year, but they did admirally against all opponents, even shellackins Los Altos in old style with a 29-3 score. Major scorers for the J.V. team were Mark Hendler, Gary Ellis, Bill Whitney, Dan Goiman, Bob Welles, Bill Ryden, Tom Sumnicht, and Jerry Pertulla. Coach Ostercamp has had fantastic success with his group; his players rarely finished below third place.



FACULTY - VARSITY GAME

During the annual Faculty-Varsity game, the faculty showed its old age when the Varsity players beat the "old pros" by a score of 64-58. The star performers for the Varsity Pat Adams, Dennis Trzeciak and Mike Collins, pranced out in their dancing ballerina outfits, while the others were dressed in the usual array of costumes, anything from grubby T-shirts to long boxer shorts. Both teams put in a strong fight, but the Varsity team was just too good and they came out on top. Whether you were a cheerleader, spectator, or player, all would agree that it was an evening of fun and frolic.

Spirit ran high during the rally. By that night, the two classes were at each others throats. The Junior team entered through the north side of the gym. They were dressed in gay 90 style, and pulled in by the loyal Junior girls. The Seniors entered in a spectacular manner. The Seniors were dressed all in black with a glowing "S" on their shirts, jiving to the music of the Watts 103 St. rhythm band. From the beginning the Juniors showed that they were capable of taking care of the Seniors. The Juniors were ahead the whole game but the Seniors put up a good fight.

PRESIDENT

ASSOCIATED STUDENT BODY PRESIDENT BOB DEGROFF

The hallmark of leadership for high school students is the Presidency of the Associated student body. For Robert DeGroff, the office he held during the past year as President of our school afforded him the learning processes vitally neede by our future spokesman. The many efforts Bob has made for West Covina High helped stabilize and strengthen our student government.

Leadership seems to run in the life of Bob, as he was the Outstanding Student from Cameron School. Once here at W.C.H.S., he became very active in debate and was also one of the few sophomore entrants into Key Club. His Junior year was a busy one for Bob, for he was not only President of his class, but of the Debate Squad (N.F.L.) as well. It was in that same year that a high honor was bestowed him, the Ruby Award was given him for debate. This is a rare occurance, as only a select few ever achieve this award. This presentation was well deserved, as Bob was in the top six at the Pomona Invitational and was twice among the top ten at two huge Redlands tournaments. Athletically Bob also excelled, being a Varsity letterman in track. As is customary of people with his aptitude, he was enrolled in all honors English courses, yet still maintained an exceptionally high grade point average and remained a life member of C.S.F.

For Bob, the prime thought for achievement involves consistency and the idea of all-out effort. He wished to dedicate his life in the interest of service to others. Whatever field Bob De Groff finally chooses, he will undoubtedly be as much of a success as he was our A.S.B. President.

Robert DeGroff

ASB VICE PRESIDENT

Leading our Associated Student Body Legislature was Vice-President WALLY UCHIDA. Holding that position required dedication and determination, a burden well shouldered by Wally.

Like many other people in our student government, Wally is highly active in school activities. While not helping the community through the Key Club, he engaged in debate and speech tournaments as a varsity debator. Wally is one of our Junior Statesmen of America and is a member of California Scholarship Federation.

Looking back, Wally decided that it was a good year for himself and the Student Body. Most activities went well, some turned sour, but for Wally this was a pleasant and rewarding ten months.

Often Wally's hair turned grey and his ear turned to cauliflower as he received suggestions, curses, comments and criticism from all sides. For the work he did, Wally received no reward except for the gratitude of the Student Body for a job well done.

INTER-CLUB COUNCIL

Organization would be the best adjective to describe Inter-Club Council. Running our school smoothly, with all activities being co-ordinated, was a major responsi - bility which the group handled very efficiently. The scheduling of car washes, soc-hops, and formal dances so that they are most beneficial to all was a chore delegated to Inter-Club Council. Chaos would result on our campus without the efforts of this organization.

TERI PETTA, Secretary of Activities

Secretary of Concessions

Keeping our school in fine running order was the job assigned to the West Covina ASB Cabinet. Under the guidance of Mr. Thorne, the group did their best for our school.

As Secretary of Activities, TERRI PETTA presided over Inter-Club Council meetings. She was responsible for organizing the school activities and putting down all the dates on the school calendar.

For that responsible position of Secretary of Assemblies this year, we had AL SNIDER. He searched out a well-rounded, tasteful program of entertainment at our assemblies.

AL SNIDER, Secretary of Assemblies

The man who kept our spirits up before most sports games was JON DON, Secretary of Athletics. He conducted all rallies, represented the Athletics Department in legislature and co-ordinated the cheerleader's activities.

The person responsible for the permanent records for our ASB was Secretary of Records, Eileen Banks. She had to keep all the minutes of the legislature meetings and correspond with other ASB's.

Secretary of Publicity was busy SALLY ZITZMAN. Some of her jobs included approving all posters, changing the marque, and updating the bulletin boards.

A junior, JANA TRENCH, was in charge of all business concerning the student store. Her job as Secretary of Student Sales kept her very active.

VALERI LYND, Secretary of Publication, truly earns the title as a dedicated worker for our school. Her job entailed the publication of the Spartan handbook, sports programs, rally tags, often the P.T.A. newsletters, and anything else that needs to be printed by the ASB. Since Valeri's job was so detailed, CINDY STANLEY acted as her assistant. Both girls deserve a lot of credit for all the work they did.

JOAN RAMSELL had a difficult job in her position as Secretary of Finance, for whe was responsible for all the finances of the Associated Student Body. She, along with DEBBIE KELLEY, as Joan's assistant, took care of transferrals, wrote many checks, received and paid bills for ASB, and recorded the accounts of the clubs.

An essential proup on our campus were the ASB legislators, and although there were only 16 members, they were comparable to our National Congress. Each day during second period the four responsible people from each class met and discussed such topics as the dates for bermuda days and spirit week. New ideas were presented to each representative from his classmates and these were then debated and decided upon. Another facet of their job was the appropriation of money from the student body fund. Many problems were conquered by this active group while they continued to gain an understanding of student government.

The dress council did a fine job of updating the dress code this year. Dress councils main job is to keep up with our changing fashion and to set a standard of rules that is suitable for school dress. Any person at our school may come to dress council meetings and voice his opinions. Miss Buch is the advisor and listens to the different points of view. We are proud of our dress council because we, the students of West Covina, are the dress council. And in this way we democraticly help to modify and change some of the rules we feel should be ratified.

Representing our school at various speech and debate tournaments throughout Southern California, the W. C. H. S. debate team was one of the finest in the San Gabriel Valley. By habitually receiving one or two sweepstakes trophies a year our squad certainly showed a great deal of preparation and ability.

President Konrad Talbot along with Brad Miles, Bob De Groff, Al Snider, and Steve Parram, paced the many oratorical victories our school received this year.

Many hours of laborious work are spent at different libraries, but even a greater amount of time was spent categorizing, collecting, and quoting many needed sources. Added to these enduring hours, our debate team suffered through agonizing times when a new plan or first affirmative needs reorganizing or (heaven forbid) a complete overhaul.

Under the leadership of Mrs. Nancy Ogden, the W. C. H. S. debate squal honored our school wereever they went.

Each week, as the blue Spartan Shield flag unfurled, students were reminded to get their Shield, a happening missed by few students. With humorous by-lines and interesting interviews, our Spartan Shield has become a highly sophisticated literary publication. This truth was finally put into fact recently when it won honors for being one of the best all-around school newspapers in our area.

Perenially advised by Mrs. Schneidewind, and led this year by Sharon Gutzke, the Spartan Shield issued such editions as the Christmas, Football Banquet, April Fool, and Senior Issues.

Too few students understand the time, patience, and effort infused in the creation of quality in our honored newspaper, The Spartan Shield.

The photography class had a new innovation this year—girls. It was felt that a "feminine view" in the art of photography might increase the interest of photo coverage in our school. Aside from that interesting side-light, the shutter-bugs did their work in the dark, mysterious labyrinth of photo-lab and provide pictures for the Lycurgean, Spartan Shield, and other W.C.H.S. publications.

This class is mostly involved with the production of pictures, but additionally teaches students the essence of photography by placing responsibility for the photography of nearly all of the photographed material at West Covina High School. Our many thanks for their valiant but never ending task.

The West Covina High School pep squad, consisting of Varsity and Bee cheerleaders and songleaders, was one of the most dedicated groups our school has ever had. The enthusiasm these girls showed was evident at every rally and sports activity. Many long hours of practice were needed before they performed their numerous routines and skits. An important asset all these girls had was a sportsman-like attitude, whether our boys lost, won, or tied. Uniting school spirit is a necessity to help win games and it was obvious that pep squad completed the job successfully.

MAJORETTES

Lissa Poulos, Janet Baker, Nikki Harlow, Joan Gilmore, Bonnie McAvoy

This year's majorettes, Lissa Poulos, Bonnie McAvoy, Janet Baker, Joan Gilmore, and Nikki Harlow, have spent many long hours perfecting their routines. Along with the Spartan marching band, these girls gave extra life to our football half-times and our Friday afternoon rallies. Their excellent routines were also shown at various parades during the past year. The pride these girls had was most evident by their stunning performances.

FLAG TWIRLERS

Precision and excellence were the goals of this year's flag twirlers. To the beat of the cadences they might be seen marching with the band on the street. Routines were made up and rehearsed for many hours until the perfection which they desired was achieved. With a little nervousness but a lot of enthusiasm they performed in the half-time shows and in the parades with the band. The experiences that these girls shared will always remain with them. Their showmanship and energetic smiles as they entertained will be remembered by those who looked with pleasure.

Lead by President Myles Kuwahara and ably assisted by Robin Johnson, Jon Don, and Kathy Dunham, The California Scholastic Federation came to be one of our distinguished organizations. In his attempt to make C.S.F. a truly scholastic one, Myles introduced the possibilities of chess tournaments, a tutoring service, a "White Paper" type of writing contest, and possible evening trips.

Advised by Mrs. Dietrich, this organization had a free day a semester, when the members were allowed to go to Hollywood to see top-rate movies. This first semester, the scholars went to the Municipal Court house, after which they traveled to Hollywood to see Gone With the Wind.

With membership growing to over 110 members, C.S.F. indicates that West Covina High School had an overwhelming share of scholars showing one out of fifteen Spartans are in our honor society.

Lead by President Dennis Trzeciak, the Nomads got everyone seated at assemblies and rallies, and ushered at the Homecoming Dance. With the help of their advisor, Mr. Phillip Smith, the Nomads sponsored a "Toys for Tots" campaign during Christmas, which is a traditional club activity. They also held many car washes. The sale of Spartan Derbies, which was a new innovation for the club, gave the school spirit, as well as many colorful heads.

Without a doubt one of the most ambitious club on campus is Girl's League. Sponsoring the Big-Sister Little Sister
y for incoming Spartans, giving the Valentine's Turnabout Ball, where girls ask boys, and the annual girls slumber
rty are but a few of the many activities held by this club. Of course one of the events most looked forward to by all
dents is the All Girl Revue. Not to be forgotten is the clothing drive for Pacific State Hospital which is a most
rthwhile project. It is easy to see that Diana Caulfield, Girl's League President, kept every member busy through-
t the year.

Carol Leonard, President of Fidelitas, keeps her club members busy with various activities throughout the year. Decorating the goal posts and the cafeteria for the football banquet and selling programs and candy apples were all a part of the Fidelitas' schedule. During Spirit Week the girls initiated a new idea—the sale of helium balloons to promote school enthusiasm. A continuous project for the disabled children at the "Hope House" is a worthwhile community service provided by the Fidelitas Club. All members know the meaning of work, but they also know the joy of giving of their time and efforts.

Adarians is a service club made up entirely of Senior girls. To become a member of Adarians, a Senior girl must be an honorable and worthy citizen of West Covina High, for the candidates are judged on the basis of scholarship, school service, and activities.

In addition to being an honor organization, Adarians do much to benefit the school and community. This year, Inter-Community Hospital had a Holloween scare when Adarians presented the childrens' ward with candy filled ghosts, and at Christmas time the club donated story books for the children. Adarians also helped with the Choir Concert presented by the Music Dept.

One of the girls' service clubs on our campus is the Centurians. It is comprised of freshmen and sophmores chosen according to scholastic merits and amount of service points earned. Each service point represents one hour of patient labor.

Some of the service projects of the Centurians this past year have been selling football programs, serving at banquets, painting the trash cans and sponsoring the Spirit Week.

One of the many great clubs on West Covina High's campus is Latin Club. All students who are taking Latin are eligible and welcome to join. This club puts out a newspaper, occasionally in Latin. During springtime a large banquet is held for all members. All first year students are then sold as slaves, making the event a very enjoyable one, expecially since it signifies the close of school.

Activities for the German speaking students included an Oktoberfest, a Christmas party, a Faschingsball, trips to Los Angeles to see German movies, afternoon ice skating sessions, an awards banquet and a swim party.

The club was led admirably by Ross Pierce and the Club's advisor.

Among the club's variou activities, preparation for the F.C.C. am ateur radio exam is the most important. Thi test requires not only a proficiency in code, but also a general knowledge of radio the ory. The club has its own ham radio statio and a major project is getting this equipmen back into operation after several years of in activity.

BOWLING CLUB

Can you bowl a strike? Or would you like to learn? Join Bowling Club, one of the busiest clubs now underway at W.C. Every Wednesday afternoon, the team members meet at the Stardust Bowl to compete against each other.

Annual events include the giving away of a turkey to the high scorer during Thanksgiving week and a year-end party celebrating the close of the school year and league play. High-lighting the party is the presentation of the trophies to the best bowlers. Whether you are an expert or only an amatuer, the bowling club would like to have you as a member.

LETTERMEN

Representing the athletic prowess of West Covina High School is the Letterman's Club, advised by Athletic Director Coach Eaton and led by President Mike Forkert, the club exhibited our school's physical might.

Beginning in March, the Letterman's Club presented a program through which our school became more clean. Lettermen were excused five minutes early for nutrition, early and late lunches. Those students who distributed trash on our campus were asked by the lettermen to pick it up. The offenders were then required to spend the last ten minutes of their lunch picking up papers.

So effective was this program that no offenders were caught the second week of the program's existence. The high respect accorded to our lettermen was shown daily by the scrupulously cleaned campus.

Many people feel that Football games are won and lost on the score-board. To the spectators this may be true but to the coaches games are won by the Team that is willing to sacrifice and put out that extra effort. This extra effort is a personal sacrifice towards winning for the team. He lets nothing come in his way to prevent winning.

A Boy is given a Blue Star to place on his helmet after he has qualified for the club. The qualifications for the club are: an individual must gain 5 points in a Ball Game for various deeds: Blocking a kick, intercepting a pass, recovering a fumble; being choosen most valuable player of the game by his teammates; being selected for his outstanding play by the coaches. These small things go unnoticed by the spectators, but these things win Football games. These men have proved it be contributing heavily to the successful Bee Football Season.

"The women's place is in the home" may be an old saying, but even in this modern day and age, it still applies. Preparing to be a future homemaker is not an easy task and any step to make the load lighter is always appreciated. With this in mind, the Future Homemakers of America (FHA) club was formed. These girls had activities to benefit themselves on in life, such as the necessary skills for cooking and sewing, and they also learned about the problems in marriage and family living.

The unaided eye cannot view all the mysteries of the sky-galaxies, meteors, and planets. Only with a telescope can you get this awesome sight. This group attended lectures and went on field trips to learn more about our universe in hopes of broadening their knowledge in the fascinating field of astronomy.

Promoting school spirit was the purpose of the Pep Club. This year at W.C.H.S. the club instigated a white section especially for those people who wanted to root our team on to a victory. The members tried to attend all sports activities so that the athletes would realize that people desired to have their school win. At times the effect of the voices cheering was quite outstanding. The club has many members interested in promoting spirit around campus and during all sports events.

Realizing that sometimes the best ideas for the improvement of our high school were never heard by legislature and the administration, A.S.B. President Bob DeGroff created this unofficial and informal group of student. The only requirement for membership of this club is an interest in West Covina High School; anyone could have come to their meetings. The "council" had no actual power but its members represented every major organization on campus.

The council was designed so as to facilitate the communication of criticisms or suggestions between students and student government.

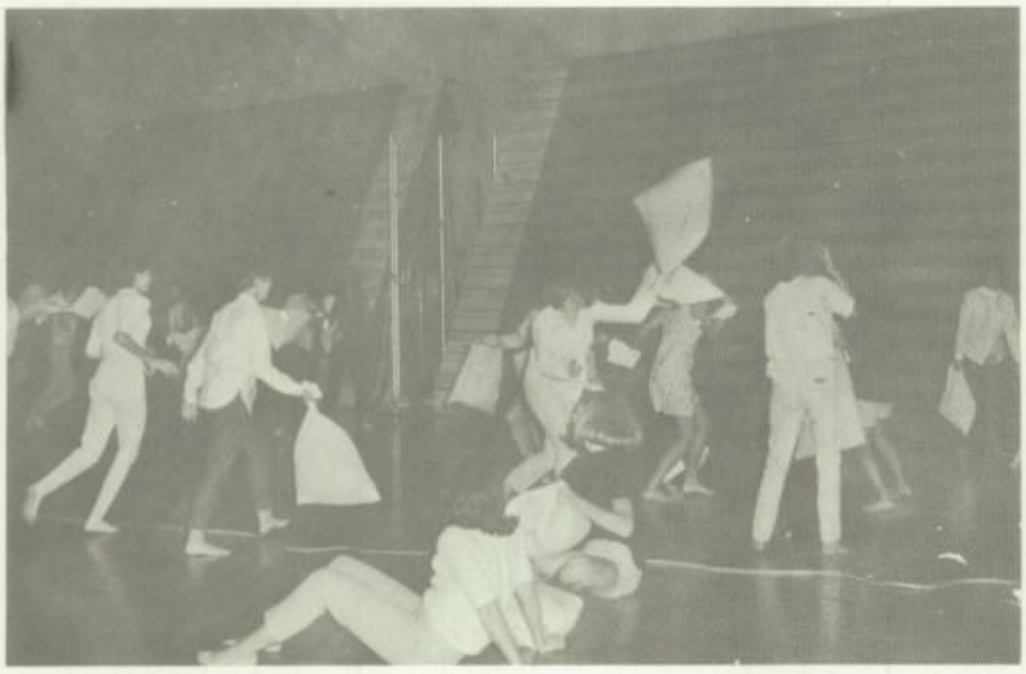
COIN AND STAMP CLUB

An interesting way to learn about the history of countries is by collecting coins and stamps. By having this club on campus, the members, under the guidance of Mr. McKinney, were able to get together and share the stories of their stamps and coins. At their meetings they also exchanged duplicates and in this way they can expand their own collections.

GIRLS' LEAGUE SLUMBER PARTY



One of the events most looked forward to by the girls at West Covina high is the all night slumber sponsored by Girl's League. Those attending this annual event had an evening full of fun and games. Every one joined in the festivities, including the numerous pillow fights. There was food galore and all made sure they had enough of it. Added entertainment included the movie, "Breakfast at Tiffany's", enjoyed by all. The slumber party will always be remembered as a complete success.

Heading our district is the Board of Trustees, assisted by Clifford Thyburg. Many fail to realize the importance of the work these men do, but without them our school could not function properly. All teachers are selected by the Board of trustees, and it was they who appropriated the money which was spent repaving our campus this past year. Decisions, such as choosing our course of studies, allotting money for the operation of our school, and determining our school policies are a major task that the Board of Education undertakes and completes successfully.

BOARD OF EDUCATION

PRINCIPAL'S MESSAGE

Congratulations to the many Spartans who have helped to make this year a success, not only for themselves, but for West Covina High School as well; and especially to the Yearbook Staff for another outstanding yearbook which has become a tradition at W. C. H. S.

To those who aspire to continued achievement and greater success, please remember that one man gets discord out of a piano, another gets harmony. It's not the fault of the piano. Discord and harmony are in life, but life is not at fault - it's you and me; please keep right on being pleasant if the other fellow disagrees with you - he may be right; please pay no attention to illnatured remarks about you - simply live so that nobody will believe them; and a further suggestion, many things and conditions might be improved if we had more people with convictions and fewer opinions.

I would hope that all of you, as you travel down life's way, could remember one of my favorite poems, by Edwin Markham:

MR. WOODEN

WHAT SORT OF PEOPLE HERE?

Once when a prophet in a palm shade lay,
A traveler stopped at noon one dusty day,
And asked, "What sort of people in this land?"
The prophet answered, lifting happy hand:
"Well, friend, what sort of people whence you came?"
"What sort?" the traveler snorted, "knaves and fools."
"Well, "said the prophet, "when your fever cools,
You'll find the people here the very same.

Another stranger at the dusk drew near,
And paused to ask, "What sort of people here?"
"Well, friend, what were the people whence you came?"
"Ah, " smiled the stranger, "they were good and wise,"
"Then," smiled the prophet, laughing in his eyes,
"You'll find the people here the very same."

Thanks to all for making this past year a short and happy one for me. I hope I will see you all again at some future time.

Sincerely,

Warren L. Wooden

DEAN OF GIRLS DEAN OF BOYS

MISS BARBARA BUCH

MR. JOHN CATALANO

A multitude of jobs fall into the hands of Miss Barbara Buch, Dean of Girls and Mr. John Catalano, Dean of Boys. Enforcing the school dress code and the rules of conduct, giving guidance and supervising various departments on our campus are all a part of their encompassing jobs.

School dress is a subject which often causes quite a bit of controversy on campus. To help alleviate this problem, Miss Buch and Mr. Catalano have established a dress council designed to inform the students of proper dress. Both are also concerned about conduct in the classroom and on campus. Disciplinary problems are handled by them. Since life is so complex, it is very easy to get started in the wrong direction. To help us from going astray, Miss Buch and Mr. Catalano give guidance that is of vital importance to the welfare of the students. Supervising and organizing departments here at West Covina is another must which is taken care of by these two able persons. They do this so that all students get the best possible high school education. There are so many extras that are connected with their jobs, that one cannot adequately describe their numerous headaches and responsibilities.

It is important to realize that Miss Buch and Mr. Catalano are always ready to help us in any way they can. For this we should be very grateful, as they have tried to lead us in the right direction toward the path of success. Without such capable assistance from these two fine individuals, our school would not have been able to function as successfully as it has in the past.

Do you remember when, in September, you got your classes through the mail; you almost died. You just couldn't understand why you had to have the same teacher this year that failed you two years before. And why couldn't you have HIM. You know, the one in whose class all the girls do nothing but sit and stare.

Do you remember how the counselor you went to listened to your problem and willingly changed your class? Well that's the job of our counselors, tohelp in any way they can. To listen toand help solve your problems. They also help students prepare for college. They serve as "middlemen" between students and administration, teachers and parents. They provide that last resort, the last place a student can go to for help. It'sa thankless but satisfying job. For the work these faithful counselors have done, they receive no reward except for the gratitude of Student Body for a job well done. They deserve a heart-felt thanks for their endless help.

Keeping an accurate account of 15,000 library books is not an easy job, but it is one that our library staff accomplished. Seven years of college were the prerequisite necessary before Mrs. Monteverde became our head school librarian. Her job was to organize the library book collection, to select and classify books, supervise students and to answer their questions regarding reading and research. Keeping track of all the text books is Mrs. Terkildsen's assignment. Training library students, typing, correspondence, checking books in and out, recording and processing new books are a part of Mrs. Helmuth's job. Our library staff rendered their services to all at W.C.H.S. and we are better off because of their sincere dedication.

Understanding and infinite patience are two qualities of a good teacher. These are needed in abundance by teachers in special education.

Students leave these classes on their way to better, more meaningful lives because of these dedicated teachers.

STUDENT STORE and ASB

Jan Aldrich, Student Store

Everyday at nutrition, both lunches and after school, hungry students rush to the windows of the student store. Not only candy but paperback books and school supplies are available to all students. To satisfy the wants of all the students on our campus takes a good staff and a great deal of work. Mrs. Aldrich the one you'll find behind this hectic activity, doing a marvelous job.

Larry Thorne, Director of Activities

The only way to describe Mr. Thorne is to say he is indespensible. His job entails scheduling all the school functions and figuring out the entire budget for our school. Because his job is so monumental, to help him out is Mrs. Scott, his personal secretary. She takes care of all his correspondance and aids him in keeping track of finances. When she is not doing Mr. Thorne's work, she is busy teaching girls to use the IBM electric typewriter. Assigning people to type for the Spartan Shield, Lycurgean, or Argosy is another of her responsibilities. Both Mrs. Scott and Mr. Thorne help keep order-and everyone knows that is the basic essential for a well-run school. What would we ever do without them?

CAFETERIA

Everyday hundreds of Spartans push their way through the lunch lines outside and inside the cafeteria. We do not always stop to think that the cafeteria ladies start early each morning so that we have an ample supply of freshly cooked food. If these fine workers, were not here at our school there would be no nutrition or hot lunches. Besides nutritions and lunches, they cook for banquet, luncheons, and dinners presented by our school. We were fortunate to have such a good staff preparing our food during the last year.

MAINTENENCE

Ida Gonsalves

Keeping our school in good shape was a major task accomplished by our maintance crew at W.C.H.S. Their job was not always a pleasant one. Often, during the school year, our campus was littered with trash. These hard working men and women kept our huge campus clean and free from litter. Other chores continually finished by the maintance department were the weeding and watering our entire landscaped school. Fixing bells, iights, and dishes kept the custodians busy from morning to late at night. Through their efforts we had a much cleaner and better run school

Swiftly swinging through another year, the Junior class has proved to be an outstanding one. They were successful in many tasks that seemed impossible to accomplish, yet more responsibilities and opportunities await them. These challenging moments were put somewhat at ease with three years of preparation behing them. They carry with them successfulness as they obtain new goals and new ideas in future years as Seniors. These upperclassmen were shown through difficulties by President Bob Bonar and Advisor Mr. Deckard.

Our appreciation goes to the Junior class for giving us many memorable moments from the soc hops, Sport Nights, and the biggest event of the year, the Junior-Senior Prom.

The two years which have gone by for the Sophomores at W.C. have been busy but enjoyable ones. During their Freshmen and Sophomore years they have learned many things and have been able to gain insight and develop good attitudes toward student government.

Under the leadership of Sophomore Class President, Richard Carr, and their advisor, Miss Karen Bozarth, the class forged on to creating new and different projects. The profits from their fund-raising events will be used for the Junior-Senior Prom and their Senior gift. Next year as Juniors, new opportunities and responsibilities await them.

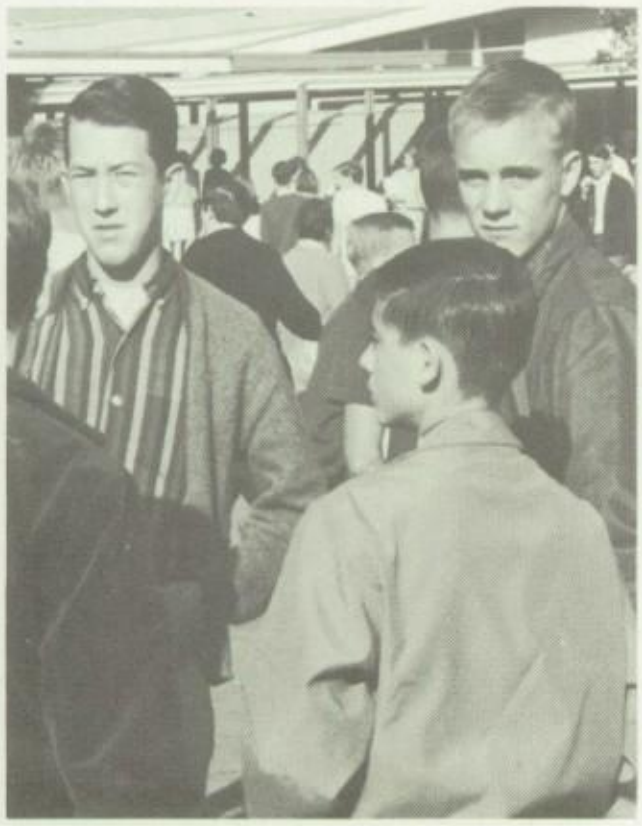
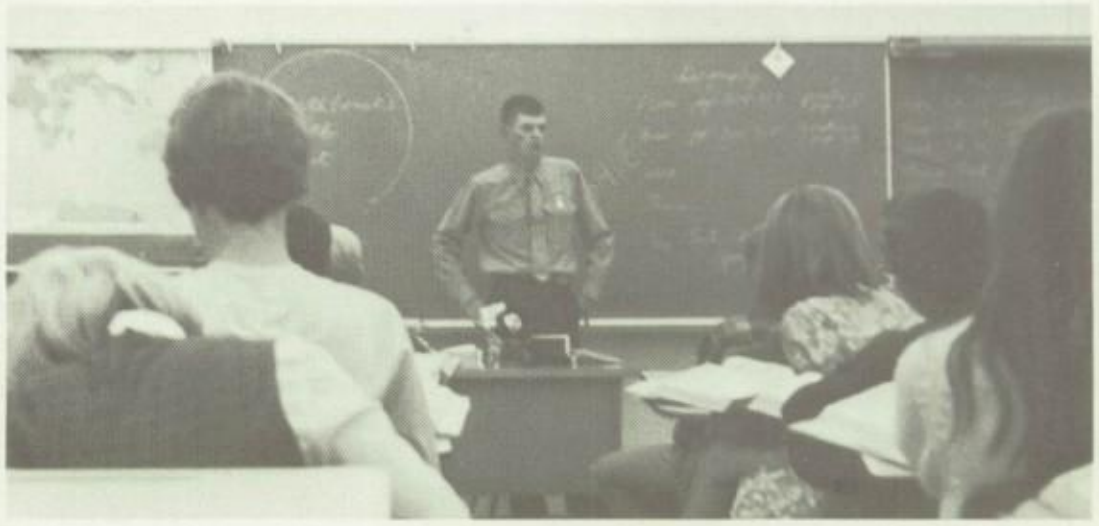
Stepping out onto a high school campus for the first time was a frightening experience, but now with a whole year of learning behind them, the freshmen can eagerly look forward to their next three years at West Covina High. During the past nine months, which may have seemed endless at times, they have learned and matured measurably. Sponsoring soc-hops and car washes were new experiences for them, but both of these were part of their fund-raising activities. Mrs. Easley was the advisor for these new Spartans and she helped them realize how important it is to have a strong class government. Once this is achieved, everything flows more smoothly, and if the past year is indicative of their future years at WCHS, then the Class of '71 will continue to be a success.

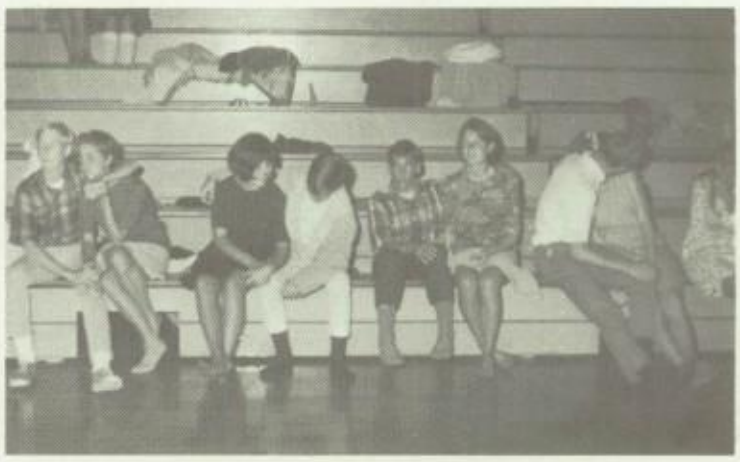
FRESHMAN SECTION



Just looking



Learning?



Shame on you.

How many balloons did you say?

You still have three years to go.

Freshman of today...

Seniors of tomorrow

Big ones, little ones, fat ones, too!

Thanks

THE YEARBOOK STAFF GIVES THANKS TO:

MR. THORNE , for his co-operation in helping us get the Yearbook out.

CHUCK MCMILLAN, for designing the cover.

MRS. SCOTT and the ASB OFFICE for typing, especially to CAROL ERVIN, JUDY LINDSEY, VALERI LYND, LISSA PAULOS, ED GUTHMAN, ALLAN SASSAR, DARCY JOHNSON.

Thanks ever so much to DOUG FINLEY, who developed most of the pictures for us.

MR. HORNER and these Photogs who helped us; KEN ROBERTS and DUANE GREELEY

MR. THOMAS, for his patience. (Sorry 'bout those extra gray hairs)

TO ALL STUDENTS, who made the Lycurgean possible.

We especially thank MR. BUD KUNDRATH for his time, energy, and patience, and for all the excellent pictures we received from him. Without him this book would not have been possible. We especially thank him for walking deep in mud at Forest Lawn.

We would like to thank FOREST LAWN, KNOTTS' BERRY FARM and HUNTINGTON LIBRARY for letting us use their property for pictures.

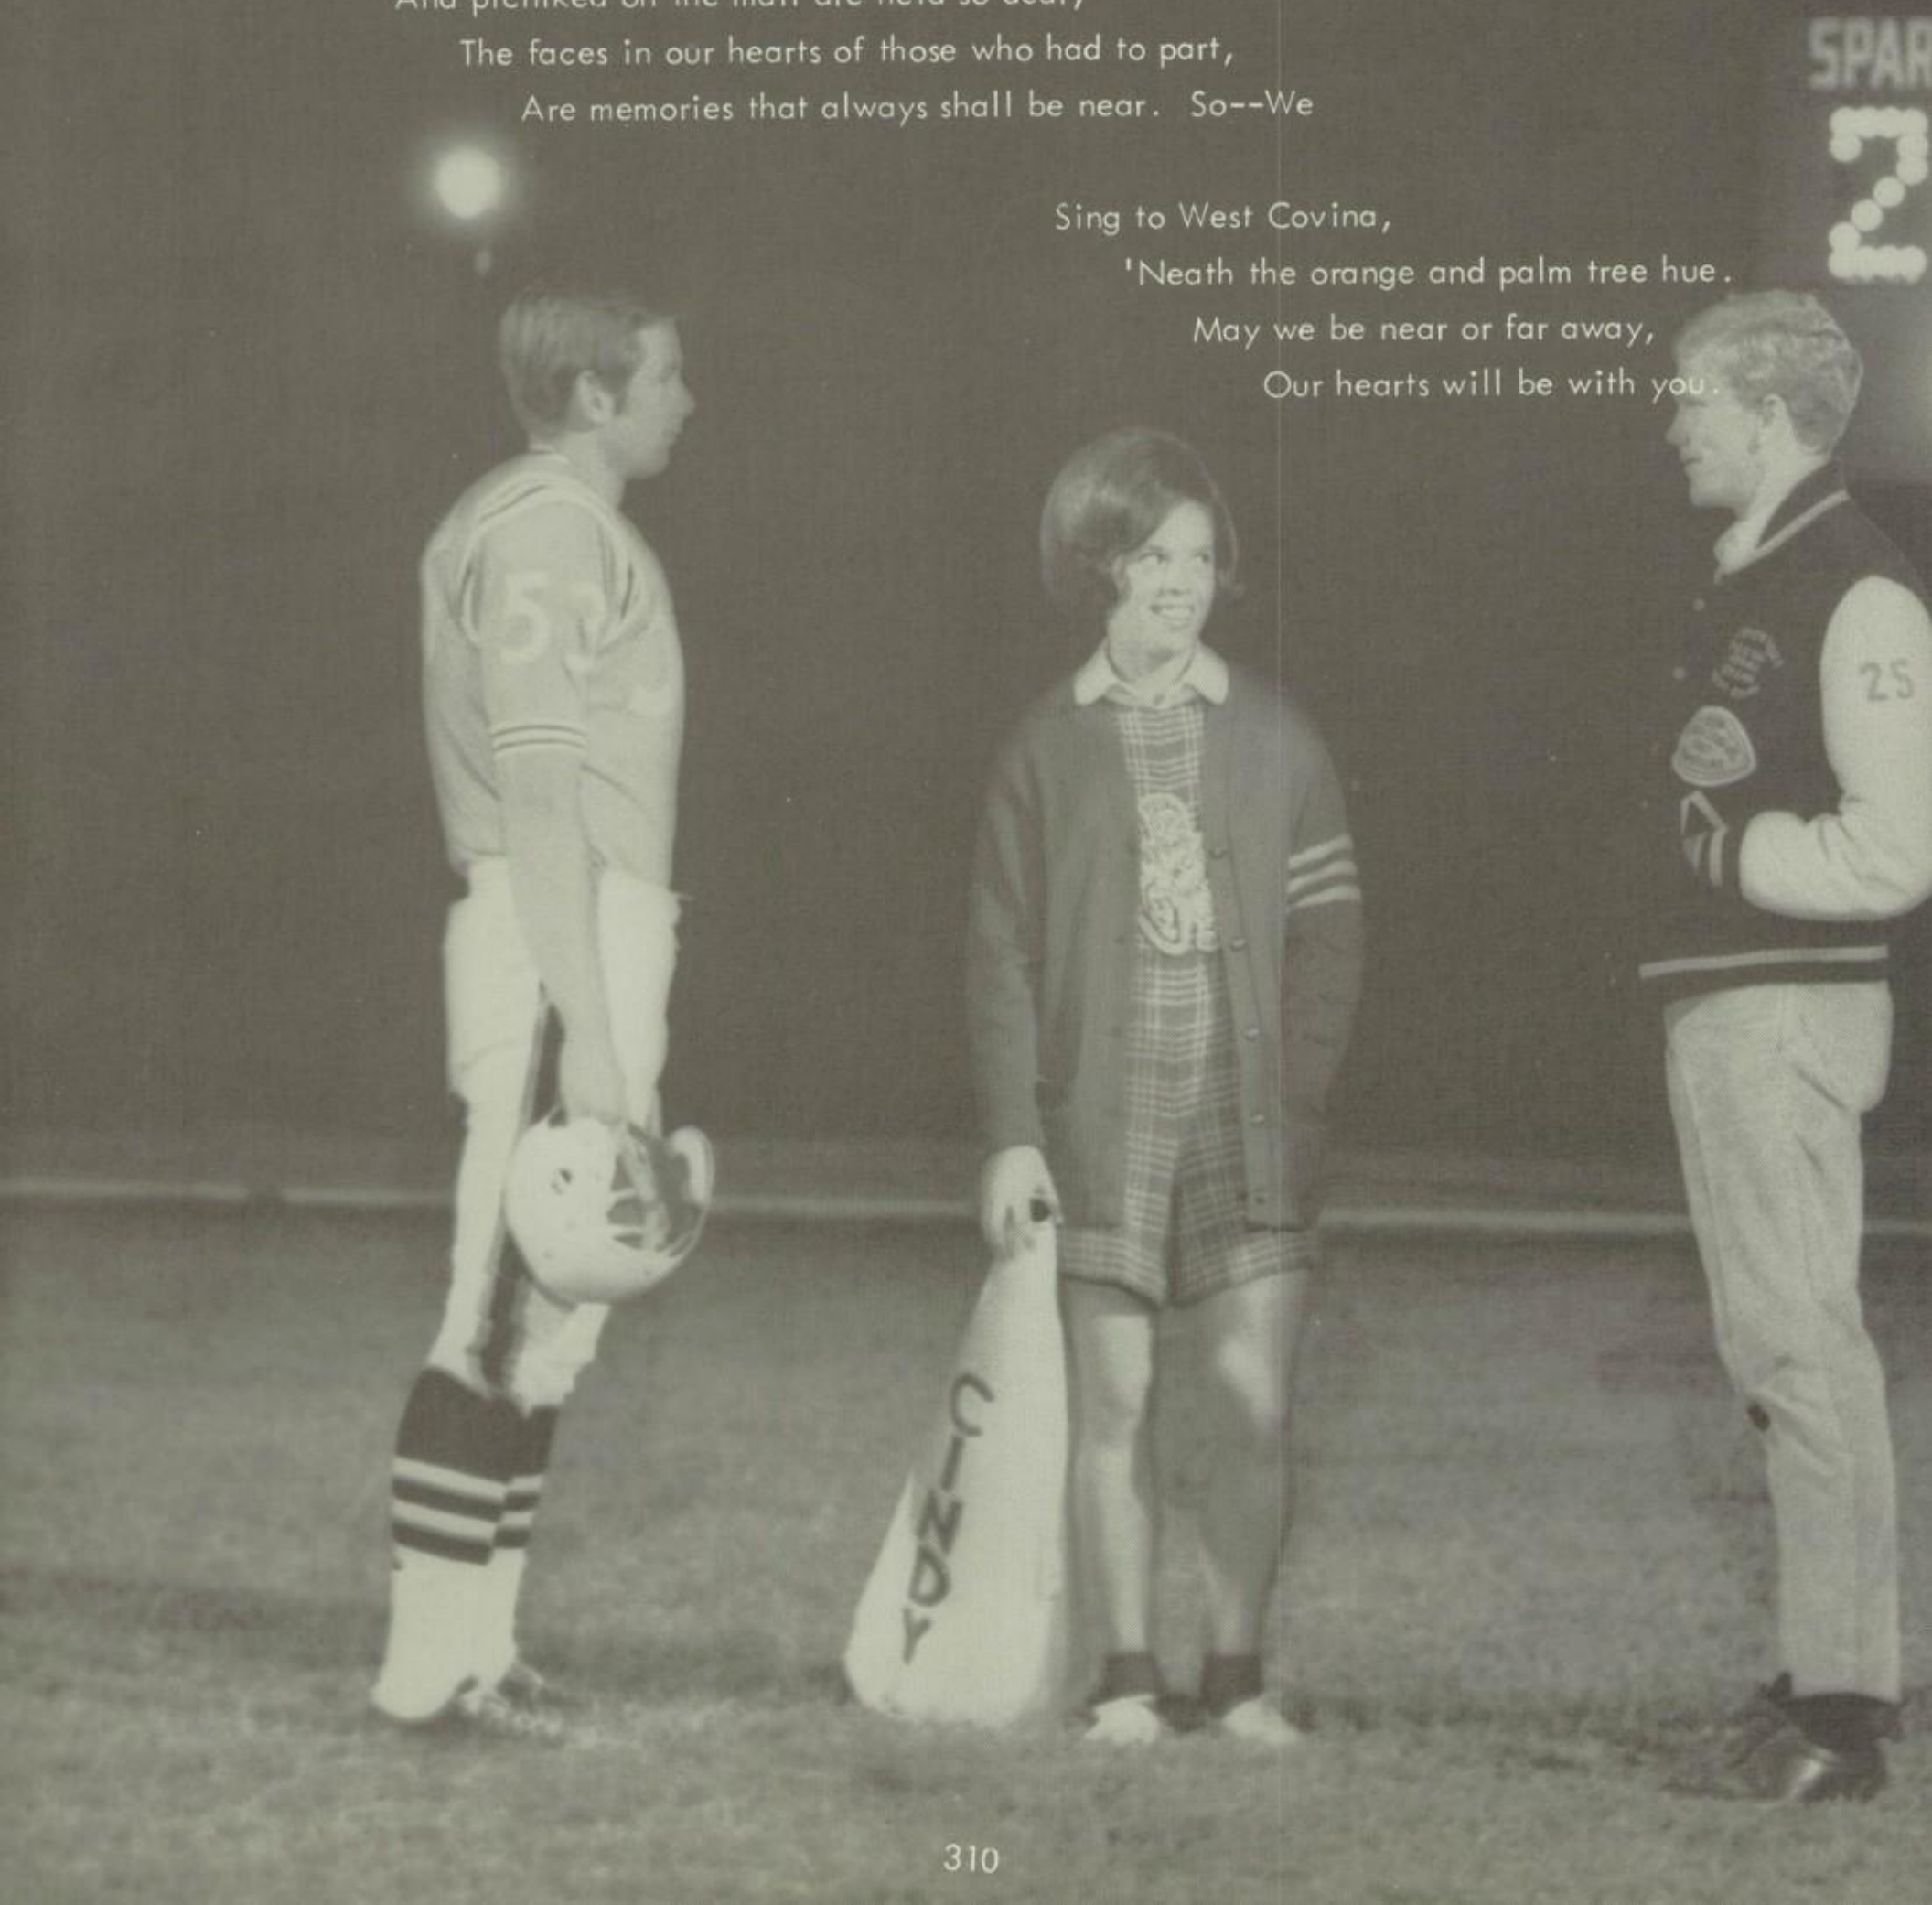
Lycurgean 68

Hail, all hail to thee West Covina!
We salute thee, win or lose.
Thy loyal sons shall always wear
The whites and the blues.

Hail to thee, oh West Covina!
All ye stand! Ye old and new
And swear your pride in your school years,
Be tried and be true.

The shadows in the fall of those who walked the halls
And picniked on the mall are held so dear,
The faces in our hearts of those who had to part,
Are memories that always shall be near. So--We

Sing to West Covina,
'Neath the orange and palm tree hue.
May we be near or far away,
Our hearts will be with you.



ALMA MATER

Darla,
Isn't really
glad we had
P.E. together
this year, too
bad it was
our only class
together. It's
been wild knowing
you these last 4
four years. I hope
our friendship lasts
at least another four
or so. (Know what I
mean.) Well, I
think you want
this back now,
so stay sweet
and darling always.
Best of luck.
Luv ya
Barbie

CRAIG SCHOLEY

Craig Scholey was known as "Snake" to all his friends. He was one of our atheletes on campus by showing skill in baseball, basketball, and three years of football, one year being on the Varsity team at West Covina High. He was always good at art. He could draw most anything he wanted whenever he wanted. Craig would sit for hours drawing merely to pass the time. He lived a wild and adventurous life, doing things people his age hadn't thought of yet. He always did things on the spur of the moment. So Craig had his own philosophy on life; he did what he wanted. Craig liked and admired Coach Brancheau, the coach under whom he played while on varsity football, because the coach said what he wanted to say when he wanted to say something. He spoke his mind, and this Craig admired.

Craig had thought he was indestructible. On the 28th of June, 1967, only 14 days after his 17th birthday, he was taken from us; this was a sad and shocking day for everyone who knew him. For those who were closest to him and who loved him, it was a day that should never have come. His memory will stay in the hearts and minds of people who liked him best; to them there will never be another guy known as Craig Scholey.

IN MEMORIUM

HUBERT HUESER

Being that Hubert Hueser's untimely death occured many months past, he may well have been forgotten in one's thoughts, but for those who knew him, his memory still remains.

Living life to the fullest Hubert is remembered as a laughable, happy-go-lucky person with a lust for life and all that it offered. . . However, Hubert's vigor was not without a serious tone. He gave sports his all and he was a member of the wrestling team. All his friends will always remember him as Hughie.

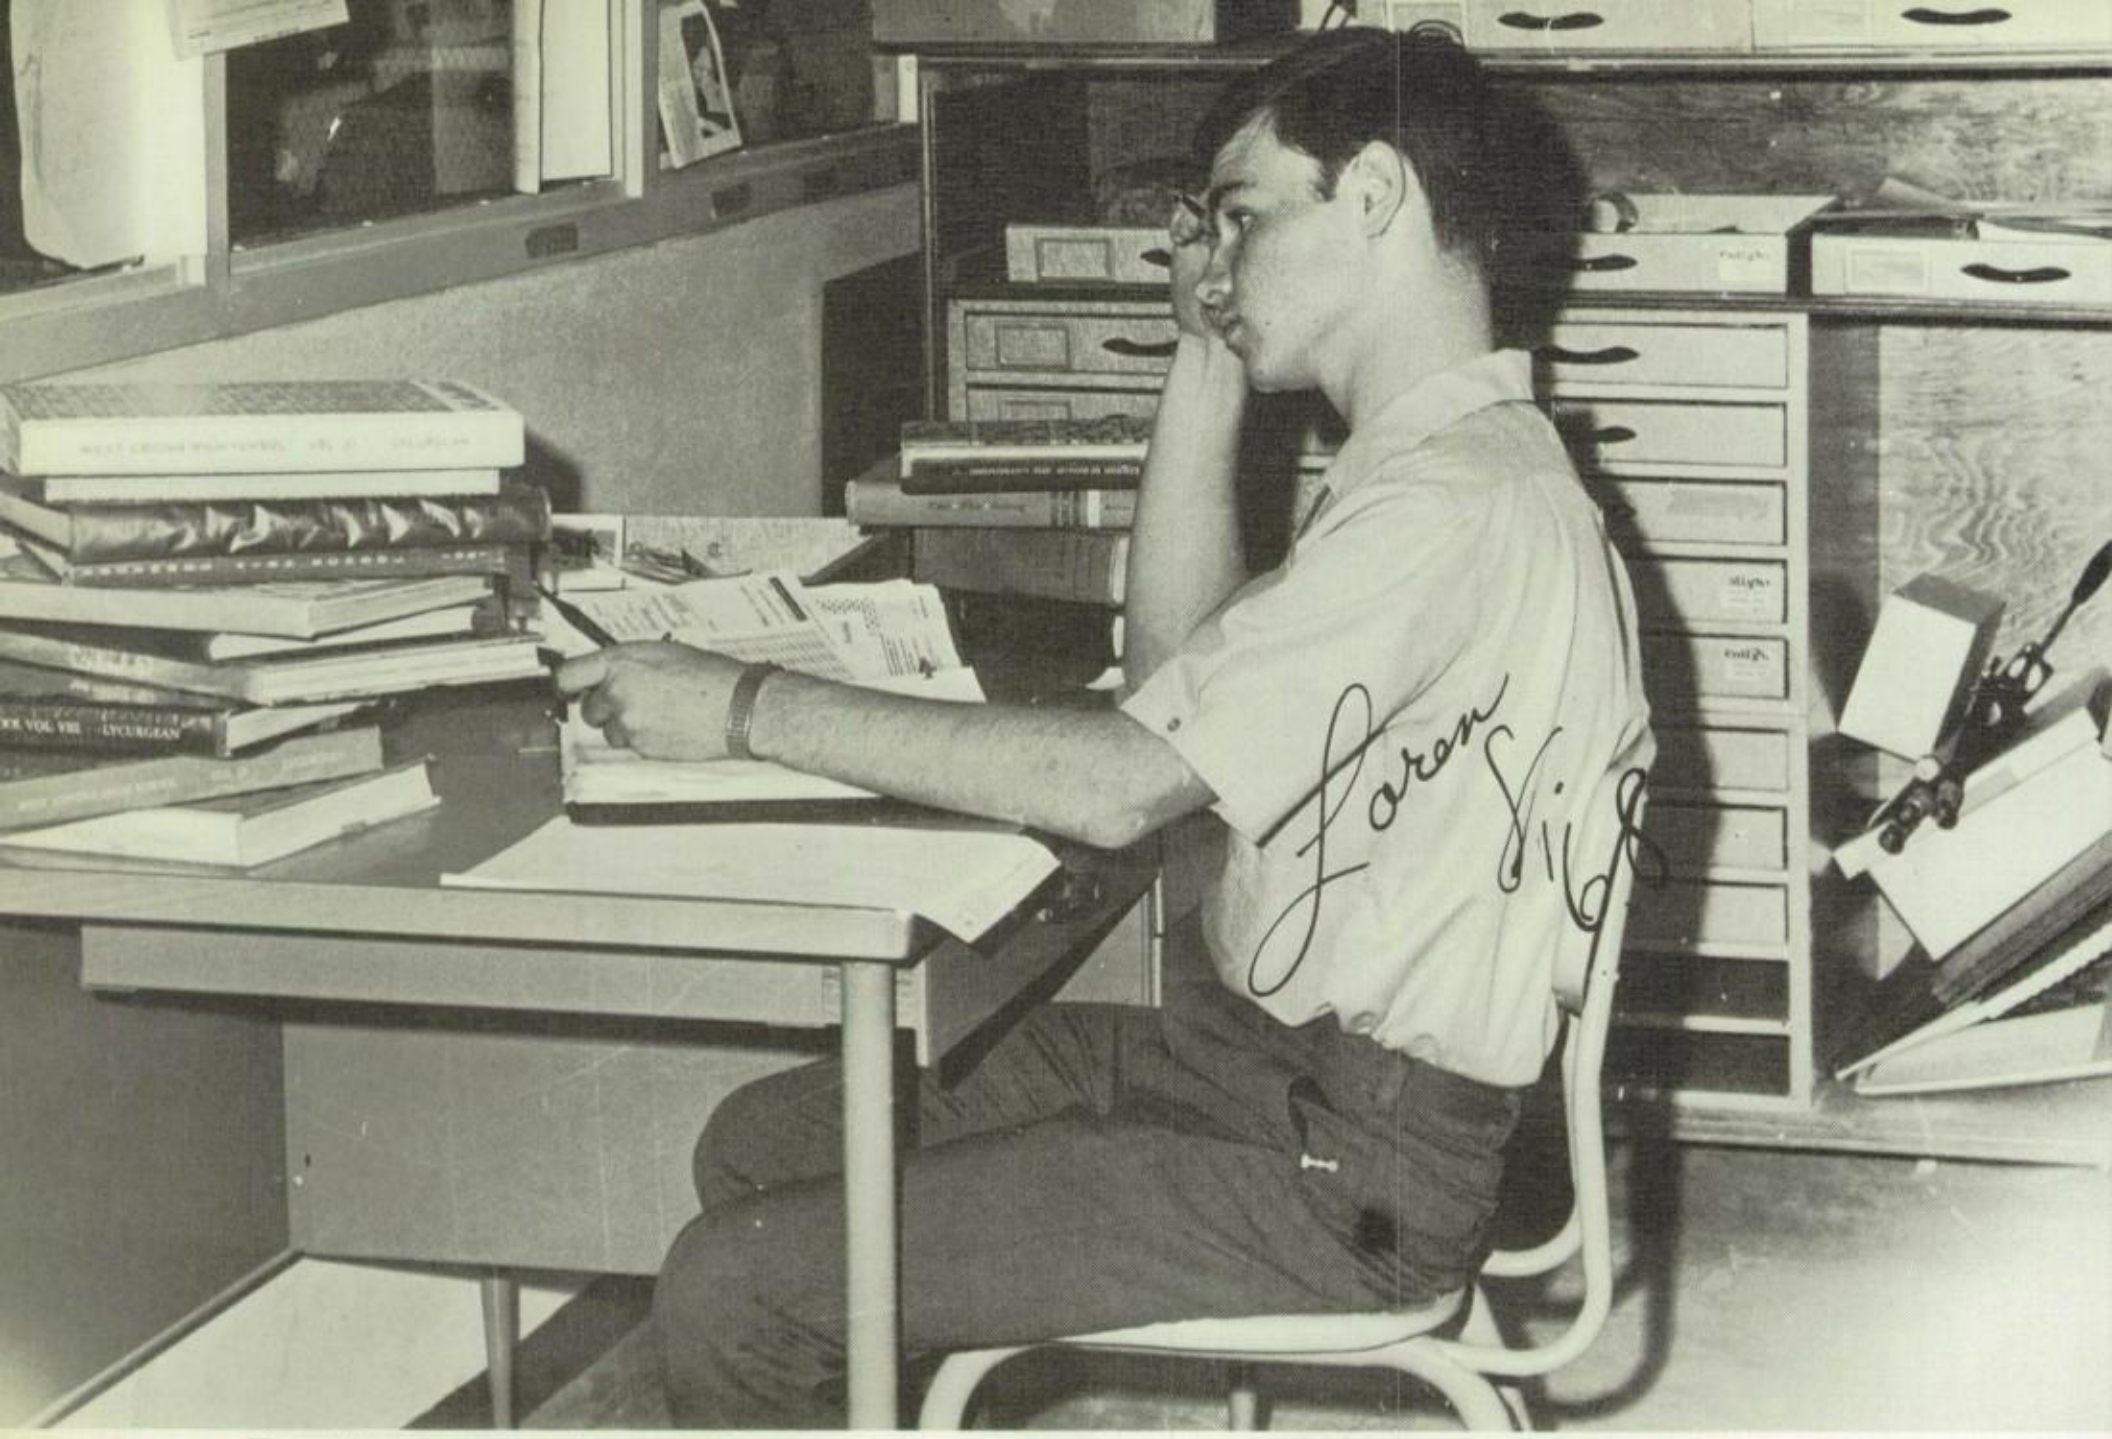
LYCURGEAN 1968

RETIRING PRINCIPAL MAURICE L. WOODEN

IN APRIL, MR. WOODEN ANNOUNCED HIS RETIREMENT. WE ARE SORRY TO SEE THIS TOLERANT AND CAPABLE ADMINISTRATOR LEAVE US. HIS WAS A JOB DIFFICULT TO FILL; HE COMPLETED HIS TASK SO WELL THAT WEST COVINA HIGH SCHOOL IS KNOWN AS ONE OF THE BEST SCHOOLS IN THE SAN GABRIEL VALLEY.



Though poetry is what I enjoy reading, writing poetry is not my field of study. Some poems have special meaning for me, and this one, by robert frost, will always be mindful of the past year;

"....but i have promises to keep,
and miles to go before i sleep,
and miles to go before i sleep."

...those seemingly endless miles have now been passed for the staff and myself.

...those seemingly impassable obstacles have now been passed.

...those memories will never be forgotten.

No one person could have claimed credit for this yearbook; it was a team effort with everyone contributing something to that singular identity distinguishing one yearbook from another. For these people, though, I must give my own, personal, special thanks; to George, whose calmness and clarity of thought maintained the forward inertia of the staff at the early part of the year when troubles were abundent; and to Lynn, who was the best worker on the staff and who served as my conscience when my own failed to function at 12:30 in the morning.

R.P.J., I beg forgivnance for the L.C. pictures.

For those photogs who contributed hundreds of photos while doing them on Saturdays, we give gratitude. Doug Finley, Duane Greely, and Ken Roberts were the shutterbugs who stayed as long as eight hours on Suncays enlarging our much needed photos. Of all the many typists who helped us at odd hours, heart felt thanks are deserving most to Judy Lindsey, Darcy Johnson, Carole Ervin, and Val Lynd for their assistance.

Mr. Kundrath, our professional photographer quietly accepted our suggestions, even though he knew at times that they would not come out as we had hoped. I cannot say much more, Mr. Kundrath, except that this yearbook is a reality only through your help. My most humble sorrow for the muddy shoes from Forest Lawn and the teacher pictures. You did a great job on the dozens of beautiful pictures.

I thank Mr. Thomas for his comprehension of our difficulties and for his encouraging "onward" when we needed it most. His suggestions were indespensible.

The philosophy of life expressed by a document called "Desiderata" is one which I particularly liked the most. These are the portions I repeat most:

"Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly, and listen to others, even the dull and ignorant, they too have their story.

"You are a child of the universe, no less than the trees and the stars, you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should."

"Therefore be at peace with god, whatever you concieve him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your own soul."

With all its sham, drudgery, and broken dreams, it is still a beautiful world. Be careful. Strive to be happy."

Yup.
What can
I say? I have
always been to
know for sure that
this year and I'm sure that
I will always remember
the talks that we have had.
Remember all our notes, Yup just
remember that if you work something
bad enough you'll end up getting it! HA!
Well all of the people I know are one
of my favourite back seat drivers. Stay as sweet
as you are and don't ever change. This summer
we will have to hit the beaches some more okay!
P.S. Yup good luck in the future. In everything
that you do.

Love
Debbie

Michelle, we really became close
this year. Recently we've had a
lot of fun together and I think
you as well. I sure
will go around all the time
of friends. Remember
the years with
parties, and just
Friday night, when there was nothing
to do. Well, Michelle, Be Good
and God Bless you always!

Love
Karen

Shell-
Good luck
and all that stuff
when you're a big soph
more! Have fun next
year + we can really have
fun in the summer.

Love ya,
Ricki

P.S. Jay of the Jigs! not really.

Keep Smilin
Rosie G.

Michelle
I am SORRY I DIDN'T
WRITE in your Book
EARLIER BUT I COULD
I hope you ATTAIN
All the JOY in the
WORLD Love
YOU ALWAYS

Dear
Have a
hope that
a class
we don't
Stout
next Year

Love Linda

P.S Have fun with the
Boys!

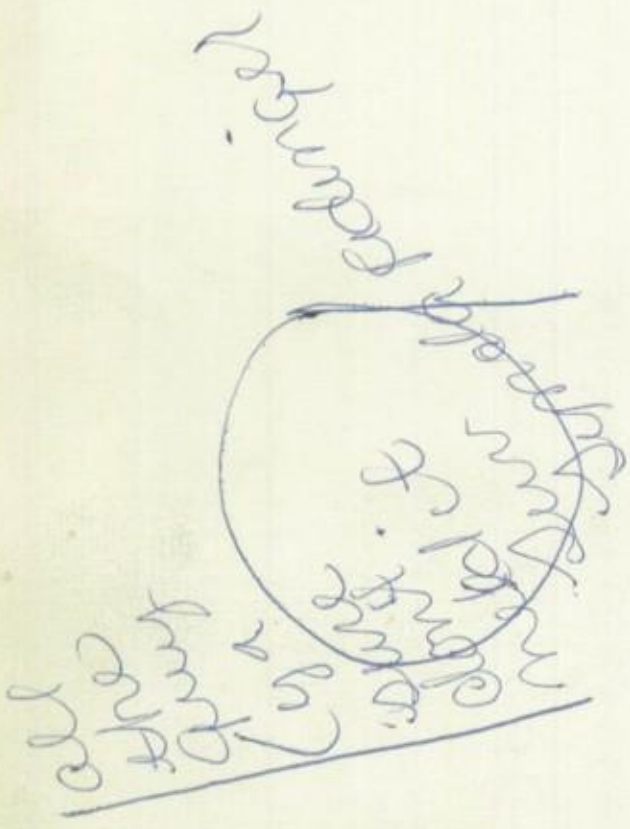
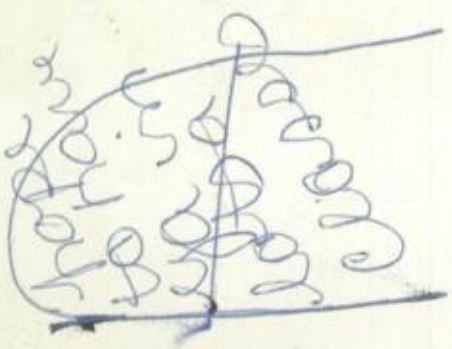
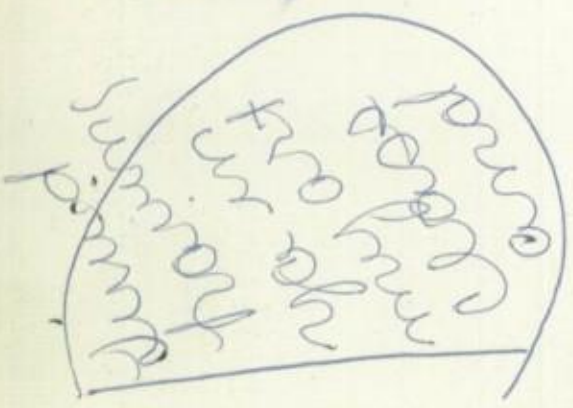
Dear Darla,

I will always remember you through out the world. I remember when you were always near my side when, I needed help. I will remember you when you married and gone from home. And when the bedroom will be all mine and it will be lonely when I think of when you played games with me. This is just part of what I want to say.







Love,
Dana

I can remember when we were just little kids always fighting and saying we hated each other. All the trouble we got into together and now I can laugh at my saying we could never be close at all! We've gotten to become pretty close and I don't mind at all. There are still a few things I dislike about you and likewise I'm sure but they are few. I'll always remember long after I'm gone the funny times we had together and some of the stupid things as well. I think you are very pretty and have the luck to become very popular in your three remaining years at high school. Don't let anything stand in your way and go out for everything you can. Take from me who I wish I had have had the nerve. You're always a hit with the guys wherever you go and that's great. Best of luck to you throughout high school although you certainly did not need it your freshman year. God bless you always and you're a wonderful sister even if I do get mad at you and call you names.

Love always,
Debbie Butterfield
